

**FEDIOL STATEMENT ON CONVENTIONAL RAPESEED
AND PRODUCTS DERIVED THEREOF**

This statement applies to conventional rapeseed of EU and non-EU origin, and products derived thereof:

It shall be used in contracts between FEDIOL companies and their suppliers.
It shall be used in the relation between FEDIOL companies and their customers if they so require.

In compliance with the Regulation on genetically modified food and feed, and the Regulation concerning the traceability and labelling of genetically modified organisms and food and feed products derived thereof¹, we hereby confirm that rapeseed and rapeseed products delivered to your company are not subject to the labelling requirements specified in the above mentioned regulations.

We have received the necessary contractual documentation from our suppliers specifying that the corresponding raw materials processed by us are of conventional origin. In addition FEDIOL member companies undertake regular testing under our monitoring system.

Necessary steps are taken to preserve the conventional integrity of the raw materials and corresponding processed products under consideration.

¹ Regulation (EC) No 1829/2003 of the European Parliament and of the Council of 22 September 2003 on genetically modified food and feed.

Regulation (EC) No 1830/2003 of the European Parliament and of the Council of 22 September 2003 concerning the traceability and labelling of genetically modified organisms and the traceability of food and feed products produced from genetically modified organisms and amending Directive 2001/18/EC.
